The following disclosures are required to be made annually by all officers/employees of USSD1 according to Utah Code Annotated 17-16a-6, 7, and 8. If additional space is needed, please use a separate sheet of paper. Per statute, the information provided shall be kept on file with USSD1 and posted at [www.uintahrecreation.org](http://www.uintahrecreation.org), under the government entity compliance tab.

I, JOEL V. BROWN, am a duly elected/appointed or full-time *Uintah Special Service District 1* employee.

I certify that I do NOT have any business interests, financial interests, or personal relationships that constitute an actual or potential conflict of interest under Utah Code Annotated §§ 17-16a-6, 17-16a-7, or 17-16a-8.

I DO have one or more business interests, financial interests, or personal relationships that may constitute an actual or potential conflict of interest and have fully disclosed them below.

*If the second box above is selected, the applicable disclosure sections below must be completed.*

- 1) I am an officer, director, agent, employee, or owner of a substantial interest in the following business entities, which are subject to the regulation of USSD1, and within such business entities, I hold the following positions:

Business Entity Name: \_\_\_\_\_

Position(s) within Business Entity: \_\_\_\_\_

Ownership of a substantial interest is defined in U.C.A. 17-16a-3(8) as an interest of 10% or more of the shares of a corporation, or a 10% or more ownership interest in other entities, legally or equitably held or owned by the officer/employee, the officer's / employee(s) spouse, or the officer's / employee's children.

\*Note: There is no case law or statutory guidance as to what constitutes a business entity "subject to regulation of the County." A business that is simply issued a business license by the County may or may not be deemed by a court, administrative agency, auditor, or member of the public to be an entity regulated by the County. Businesses regulated by interlocal agencies of which the County is a member may or may not be deemed to be a business regulated by the County (i.e., a restaurant subject to regulations imposed by an interlocal agency).

A business entity that requires a conditional use permit to operate may more likely be deemed to be a business entity regulated by the District than a business that simply receives a business license from the County.

- 2) I am an officer, director, agent, employee, or owner of a substantial interest in the following business entities that do business with or anticipate doing business with USSD1:

Business Entity Name: \_\_\_\_\_

Position within Business Entity: \_\_\_\_\_

Please note that according to U.C.A. §17-16a-7, an officer must disclose his or her interest or involvement in such an entity immediately before any discussion in an open and public meeting about the business that the District may do with any such entity, regardless of whether a disclosure of interest or involvement in the business was made in this document.

- 3) The following personal interests or investments of mine create a potential or actual conflict between my interests and my public/employment duties:

\_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_

\* \* \* OPTIONAL DISCLOSURES \* \* \*

- 4) The following disclosures of other business interests, investments, and other matters are not required to be made by law, but are made with the intent to more fully disclose other interests that may be deemed relevant to the administration of public duties, or in furtherance of my intent to provide a more complete disclosure of my economic or personal activities, or for other reasons:
